

## NERVES ALL ON EDGE SO NERVOUS IT SEEMS YOU WOULD FLY TO PIECES.

YOU ARE WEAK, TIRED OUT, DIS-  
COURAGED—YOU ARE LOSING  
HEALTH AND STRENGTH.

You Must Have Help—Dr. Greene's  
Nervura Will Make You Well.

How nervous you are! Your nerves  
are unstrung and seem all on edge. The  
slightest unusual sound sets your nerves  
quivering and you feel as if you would  
fly to pieces.

Or, perhaps you have attacks of

nervous weakness, faint feelings, with  
sweat of extreme weariness and prostration.  
Possibly your heart palpitates, your  
limbs tremble, and you feel a sinking  
with sense of anxiety or foreboding.  
Your nerves are weak and unstrung and  
the vitality of your blood is low. That  
is why you do not sleep well nights and  
wake mornings feeling so tired and  
dragged out, why you have no appetite  
for breakfast and are without energy  
and ambition. You need the right spring  
medicine—Dr. Greene's Nervura blood  
and nerve remedy.

Mrs. D. O. Funnell, of Manchester, N. H., writes: "I have used several bottles of Dr. Greene's Nervura blood and nerve remedy for nervousness. Loss of sleep and appetite were my greatest troubles, and I feel so much better that I have now stopped taking the Nervura."

It would greatly affect my nerves. I took Dr. Greene's Nervura blood and nerve remedy and I could sleep beautifully and my appetite has returned. I feel so much better that I have now stopped taking the Nervura."

Use this grand remedy. It will cure you. Dr. Greene's Cathartic Pills are the perfect pills for biliousness and constipation. Dr. Greene, 35 West Fourteenth Street, New York City, the most successful physician in curing diseases, can be consulted free, personally or by letter.

### "SQUIRE GRAVES ON THE BENCH."

In the absence of Justice John the  
Umpire Disposes of the Sinners.

There was a quiet, easy-going time in the White Temple yesterday morning. In the absence of Justice John, who was not so "pearl" as usual, and remained at home, "Squire W. A. (Lionie) Graves held down the middle of the judicial bench, with Sergeant Thomas and Clerk Edgar White upon the ends. There were quite a number of Saturday and Sunday "follies" and, though Richmond was in holiday clothes, the money-making went on just the same.

Walter W. Brown (colored) was charged with disorderly on one of the cars of the Richmond Railway Line, and was fined \$5 and costs.

In the case of Walter Foster, charged with creating a disturbance in the saloon of G. E. Perkins, the accused was fined \$5 and costs.

Thea Nichols, a very gentle (?) colored damsel, was charged with striking Robert Cary with a brick, and was fined \$5 and costs.

In the case of Henry Allen, who was charged with entering a vacant house, No. 152 East Main street, the accused was required to give security in the sum of \$100 for sixty days.

George Washington (colored) felt that it would become him to play some part outside of the usual grind of life in honor of the "Father of His Country," and the honor man he bears, and a "happy medium" of respect and fun, decided upon getting drunk. "Squire Loney told him he appreciated the sentiment with which he was imbued, and that he could get this time if he gave security in the sum of \$100 that he would do so no more.

### The Work Among the Poor.

The treasurer's report at the regular weekly meeting of the Citizens' Relief Association showed that the distributions made to the needy during the month amounted to \$1,188.25. Of this sum \$35.75 had been previously given, and the payments of the past week were as follows: West End beyond city limits, \$15; East End beyond city limits, \$15; cases of immediate need, \$17.50; check to City Mission, \$20; coal-bill for week, \$10.

A very handsome donation from Messrs. A. Saks & Co. of a lot of clothing has been sent by the association to the City Mission for distribution.

The weekly meetings of the association will be held hereafter on Mondays, instead of Saturdays, at 4:30 o'clock.

### Parsley Bailed; Brooks Sent On.

Eddie Parsley, the small boy charged by the United States authorities with stealing a lot of unstamped tobacco from the T. C. Williams Company's factory, and who was given a hearing before Commissioner Pienzenberg on Saturday and sent on to the grand jury, was admitted to bail yesterday morning in the sum of \$200. The boy's mother went on the bond.

The preliminary hearing of George W. Brooks, the junk-dealer who received the tobacco from Parsley, which was continued from Saturday, was concluded yesterday, and the prisoner was sent on to the grand jury to answer the charge of receiving the tobacco, knowing it to have been stolen.

The Chesapeake and Ohio Railway Company will lay a temporary track on Fourteenth street, Washington, to be used by it during the inauguration. A work-train left this city yesterday morning with men and material to build the track.

### HE TRIED TO KILL HIMSELF.

Instead Robert Hamilton Slashed His Friends.

Mr. Robert Hamilton, an employee of the Richmond Chemical-Works, tried to kill himself at his home, No. 1716 East Broad street, Sunday afternoon, and, though he failed in his attempt, he inflicted painful wounds on two members of his family, who, with others, disarmed him.

Hamilton is ordinarily a hard-working and peaceable man, but has for a long time been subject to spells of melancholy, during which he is possessed of a predisposition to kill himself. He was taken with one of the spells Sunday, and was closely watched by his family. In some manner, though, Hamilton managed to get hold of a razor, and was in the act of drawing it across his throat when his brother, who was watching his movements, grabbed him. A terrible struggle followed, and Hamilton, like a madman, he was rapidly getting the best of his brother when the latter yelled for aid.

Mrs. Hamilton rushed out and called for assistance, and Mrs. Thomas H. Saunders, who lives next door, came in. As soon as she saw what the trouble was she called loudly for her husband, and he rushed in. Mr. and Mrs. Saunders, Hamilton's two brothers-in-law, and brother, then grappled with the desperate man, and soon overpowered him. In the scuffle Mrs. Saunders received a severe gash on the right wrist, and her husband was given a deep cut on the thumb. While the struggle was on, and as soon as Mrs. Saunders was cut, Dr. F. W. Hageman, the druggist at Seventeenth and Broad streets, was called in. He found that one of the arteries in Mrs. Saunders's arm had been severed, and the nerves and muscles laid bare. He stopped the flow of blood and called the ambulance. Dr. J. C. Lehenberg responded and rendered the necessary services.

Hamilton called at the Saunders's house Sunday evening, expressed his regrets for what had happened, and asked forgiveness, which was freely given.

Mr. Hamilton is about 30 years of age, and is, when laboring under the spells, to which he is subject, not responsible for his actions. He was uninjured in the fracas, and went to his work yesterday as usual.

### HOME FOR THE AGED AND INFIRM.

Annual Meeting on Sunday of This  
Worthy Hebrew Institution.

The annual meeting of the Hebrew Home for the Aged and Infirm was held in the basement of Beth Ahava synagogue on Sunday afternoon at 3 o'clock. Mr. Henry S. Hutzler presiding, and Mr. Isaac Held (secretary and treasurer), recording.

The election of officers for the ensuing term resulted in the re-election of the old officers and board, as follows: Henry S. Hutzler, president; Philip Whitlock, vice-president; Isaac Held, secretary and treasurer; Board of Directors—Rev. E. N. Calisch, and Messrs. M. Milhiser, R. Kamb, N. W. Nelson, J. Lewit, Julius Straus, Moses Tuhulinsky, I. H. Kaufmann, and A. Greenstein.

The report of the president was in the nature of a surprise, for notwithstanding the depressed times of the past year, the funds of the home have increased, and its prospects are brighter than ever before. Two beneficiaries have been added to those heretofore cared for; and, while they are not housed under one roof, a committee has been organized to make suitable plans for opening the home at no distant day.

The report of the secretary and treasurer, Mr. Isaac Held, showed the receipts for the past year for membership dues, interest, and donations to have been \$1,500.40. The total amount of funds on hand and invested, \$12,733.33—an increase of \$64.91 over last year. A bequest of \$200 from the Samuel Binsinger was received. The present membership is 300.

### Two Well-Known Gentlemen Fined.

Magistrate J. T. Lewis, of Henrico, on yesterday imposed a fine of \$10 each on Messrs. James B. Pace and Thomas J. Todd, who were charged with maintaining a nuisance in that they permitted water to stagnate in a brick-yard owned by them on Jacqueline street near Washington. The gentlemen failed to appear in court, and the fine was imposed.

### Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness, without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reliable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physician, but in need of laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.
